Piyami Lodge will be joining us for music by the Nord-Bridge Music Makers. These singers & musicians love to entertain and are a lot of fun!! See you there!

Welcome May, let's hope you're sunny and warm.

I think this should be a great month. We should have some nice weather and be able to start having more activities outside.

Let Kerry know if you want to go for a bike ride. Remember, the bike has 3 settings:

1. to let you peddle
 2. to have you help peddle
 3. to have the driver do all the peddling.
- Don't let Kerry fool you into doing all the work :)

I hope everyone has a great month.

Mother's Day Humour

Kid: Why do bad guys always try to take over?

Adult: Because they want to be in charge and make all the rules.

Kid: Well, why don't they become moms?

We will try our best to get outside for some of our activities now that the weather is getting better.

The tandem bike will be at our lodge from May 14 to May 17. If you'd like to go for a ride let Kerry know. If you haven't done so already there is a waiver that needs to be signed by all riders. Remember that your family can take you out on the bike too.

Saturday, April 25, we will be heading over to the exhibition/Bullys for lunch and horse races.

Minister's Seniors Service Award

Green Acres Foundation was honoured to be recognized by the Province of Alberta with the Minister's Seniors Service Award on April 12, 2024. This recognition was given to the Foundation for our innovative "safe suite" program which houses seniors requiring temporary, emergent housing to get away from an abusive home situation. This program is the first in Alberta, as well as received commendation as the first in Canada. It was developed in 2016 in partnership with the Lethbridge Elder Abuse Resource Network (LEARN) and since its inception, we have housed over twenty individuals. Many of these clients have become permanent residents after their short temporary stay. This award is shared with all employees of the Foundation because without their dedication and great service, these clients wouldn't feel safe and at home in our buildings. Once again proving why Green Acres Foundation is a Great Place to Live!

Emergency Preparedness Week

May 5 to 11 is Emergency Preparedness Week. Here are a few tips to help you be prepared!

- Keep a flashlight handy to help you in a power failure or night time emergency and check the batteries on the first day of spring and fall.
- Know where the closest emergency exit is to your suite and know where to go (muster point) if evacuating the building.
- If you can't leave your suite for some reason, call 911, give them your name and location so they know you need assistance.
