Message from Your Manager

Hello again everyone. April is such a special month, the migrating birds return, the rivers and lakes thaw out, and best of all fishing season starts! If you're into old cars they will start to appear as well, that's the best sign of spring!! Please make sure you spend as much time outside as possible, Winter always comes back, BOOOO.

As always. Stop by Karen's or my office anytime to visit, or for any other reason.

Have a great spring.

David Drysdale

Should evacuation of geographical area (for example: downtown) be declared, the alternate holding areas will be locations outside of the evacuation area.
