Welcome to spring! There are reports of gopher sightings already, that is most encouraging. Water shortages remains a big concern, I know everyone wants to do their part. So, commencing May 1st we will enact once a month showers' for everyone, including staff. I figure if we are all a bit ripe it wont be that noticeable!

Pray for good spring rains, that would help a lot. Don't forget to file your taxes and Happy Easter to all!

PS: As for monthly showers, Happy April Fools!!! Gotcha!

Emergency Preparedness - Alternate Holding Areas

In the event that the building is evacuated for any reason, the Foundation has arrangements made for alternate holding areas. Once everyone is accounted for outside the building, residents and staff will be transported to another nearby facility.

Should evacuation of geographical area (for example: downtown) be declared, the alternate holding areas will be locations outside of the evacuation area.

For more information, please see your Manager.
