### Residency and Service Agreement - Alterations

Prior to making any modifications to the suite such as the addition of shelves, the resident must have the prior approval of the Manager and must follow the Foundation's policy regarding guidelines for installation. Installation must be completed by appropriate, qualified personnel as approved by Management.

No additional electrical wiring, light fixtures, ceiling fans, air conditioning units, or heating units shall be permitted anywhere in the suite without the prior written consent of the Foundation. Changes may apply if the approved installation requires the assistance of Foundation maintenance personnel.

### Message from Your Manager

Have you received all your T4's and income tax receipts? If you do, and you have signed up for our annual free income tax clinic provided by our partners at KPMG, they will be at the lodge on March 20 from 6:00 to 9:00 p.m. We will provide you with a scheduled appointment time to make the evening run smoothly.

Please remember, Green Acres requires a copy of your Notice of Assessment annually, which is due on June 1.

There's a lot going on this month and Easter is super early this year. On behalf of Patty and all the staff, Happy Easter everyone!

## Emergency Preparedness - Fraud Prevention

March is Fraud Prevention month. Take precautions to protect yourself. Unless you have initiated contact to a business, never give out your credit card number over the phone. Don't give your pin numbers or passwords to anyone.

Some of the common scams being used are:

- A caller advises you that you have won a lottery or sweepstakes but you need to pay for the handling fees and you can do so by providing your credit card number.
- A caller says they are your grandson or granddaughter and have been in an accident and need money.
- Revenue Canada threatens to call the police if you don't give them your credit card number to pay the amount you owe.

Scammers are smooth and cunning. They ask you leading questions to get information from you, then use that information to get even more personal information. If you receive a call that you are uncomfortable with, hang up and let your family, lodge Manager, or police know.
