### Green Acres Foundation 64th Anniversary

Everyone is invited to the dining room to celebrate Green Acres Anniversary with a BBQ lunch at 11:30.

I think all of Southern Alberta is hoping for April Showers. With or without them, warmer weather is on its way and this year we'll be able to enjoy it in our own backyard. That said, there is much work to be done and you will be seeing workers from various trades on the property. We'll have signs posted if there are any safety concerns to be aware of. The City of Lethbridge is predicting we will have water shortages this summer so we'll have to be creative gardeners. We'd love to hear your ideas!
