Minister's Seniors Service Award

Green Acres Foundation was honoured to be recognized by the Province of Alberta with the Minister's Seniors Service Award on April 12, 2024. This recognition was given to the Foundation for our innovative "safe suite" program which houses seniors requiring temporary, emergent housing to get away from an abusive home situation. This program is the first in Alberta, as well as received commendation as the first in Canada. It was developed in 2016 in partnership with the Lethbridge Elder Abuse Resource Network (LEARN) and since its inception, we have housed over twenty individuals. Many of these clients have become permanent residents after their short temporary stay. This award is shared with all employees of the Foundation because without their dedication and great service, these clients wouldn't feel safe and at home in our buildings. Once again proving why Green Acres Foundation is a Great Place to Live!

Emergency Preparedness Week

May 5 to 11 is Emergency Preparedness Week. Here are a few tips to help you be prepared!

- Keep a flashlight handy to help you in a power failure or night time emergency and check the batteries on the first day of spring and fall.
- Know where the closest emergency exit is to your suite and know where to go (muster point) if evacuating the building.
- If you can't leave your suite for some reason, call 911, give them your name and location so they know you need assistance.
