Will April showers bring May flowers? I hope so!! It is hard to believe it is April already, time goes by so fast! I hope the Easter Bunny is good to you bringing you fun with family and friends and delicious treats to enjoy.

I think most of you have your income tax submitted to the Government by now or perhaps you're planning on getting it in this month. Please remember to submit your Notice of Assessment to the office when you receive it.

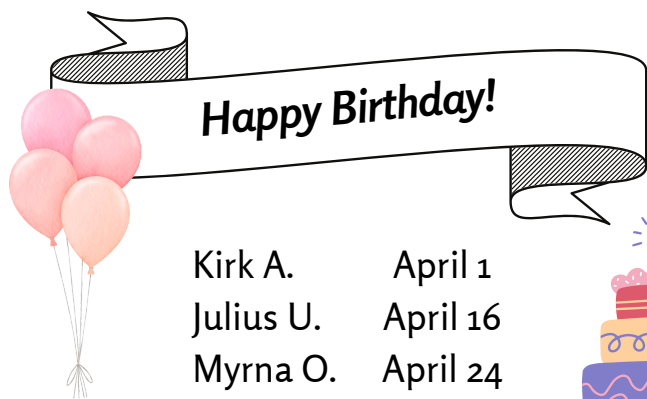

Happy Easter!

Did you know:

The weather helps you smell things more strongly. In the spring, there is more moisture in the atmosphere which not only helps keep scents in the air longer, but it also makes it easier for you to smell them.

Emergency Preparedness - Alternate Holding Areas

In the event that the building is evacuated for any reason, the Foundation has arrangements made for alternate holding areas. Once everyone is accounted for outside the building, residents and staff will be transported to another nearby facility.

Should evacuation of geographical area (for example: downtown) be declared, the alternate holding areas will be locations outside of the evacuation area.

For more information, please see your Manager.
