Message from Your Manager

Happy February everyone.

Here are some fun facts about February:

- February is the most misspelled of all the months
- Princess Elizabeth became Queen Elizabeth on February 6, 1952
- Amethyst is the birthstone for the month of February
- Groundhog Day, celebrated on February 2, came about because of a German superstition. They thought if a hibernating animal cast a shadow on February 2nd that winter would last for another six weeks. If there was no shadow, spring would come early
- We celebrate Valentine's Day in February

Happy Valentine's Day, everyone.
