

A floor plan diagram of a living area. The plan is divided into several rooms: a large Living Room at the top left, a Bedroom at the top right, a Kitchen at the bottom left, and a Bathroom at the bottom right. The Living Room and Bedroom are separated by a wall with a doorway. The Kitchen is connected to the Living Room. The Bathroom is connected to the Bedroom. The diagram uses black lines for walls and doors, and red lines for kitchen fixtures. Green text labels the rooms. A large teal text label at the bottom indicates the total living area.
