

## HELPING YOU CHOOSE

Since 1960 Green Acres Foundation has provided seniors with choices in affordable, secure housing and services.

We understand that there are many things to consider and are happy to provide any assistance we can to help you make the right choice.

### **How do you decide which housing is right for you?**

You want to do your own cooking and housekeeping but don't want the upkeep of a house and yard --

**Our apartments are secure and maintenance-free.**

You want independent living in a social setting with your own suite and the option of doing your own cooking and housekeeping or enjoying flexible meal and service plans --

**Our transitional living option offers security and flexibility of service choices.**

You want independent living in a social, home-like atmosphere without the worry of cooking or housekeeping --

**Our lodges offer security and comfort and leave the carefree living to you.**

You want to live independently but require some personal care or medical services --

**We can provide the care you need in a friendly, social atmosphere.**

## WE ARE OFTEN ASKED:

*When is the right time to consider a move to seniors' housing?*

*Can I afford to live in seniors' housing?*

*Will we be able to live as a couple?*

*Can I bring my vehicle?*

*Will I be able to come and go as I please?*

*Will my family be able to visit when it's convenient for them?*

*What will happen if I need more care in the future?*
