August 2021

From your Assistant Manager,

Hello residents of Pemmican Lodge!

It has been so much fun getting to meet everyone and I would like to take this opportunity to let you know a little about myself.

My name is Tonya and I love the colour yellow, baking cookies, and puppies! I come with nine years' experience in the restaurant industry with a main focus in customer service and management.

I am also a recent graduate of Lethbridge College having received my Business Administration Diploma with a Major in Accounting.

I am so excited to work alongside an awesome staff and to be the new Assistant Manager at Pemmican Lodge. I look forward to seeing you everyday!

Get ready for an exciting August with Whoop-Up Days. Yee-ha!
