

Piyami News

August 2021

From your Manager,

I am happy to announce that Covid restrictions for visitors have been lifted. We are still under certain Covid protocols and these will continue until after the summer. Our goal remains the same and that is to keep all of our residents and staff safe. For more information, please talk to any of our staff.

We have had quite a few new residents join us lately. At Piyami, please stop and introduce yourselves. It can be intimidating for someone new, so please let's give them a warm welcome.

We are in the middle of summer, so remember to stay hydrated and cool. If you go outside, ensure you are wearing a hat and proper clothing.

On August 27 at 3:00 p.m., join us as staff host a game of softball in the bowl. Residents, family, and friends are welcome to come and watch. Beverages and snacks will be provided.

Let us all enjoy the rest of summer!

Terry Dennis
