<p>Green Acres Foundation was the grateful recipient of grant funds through the New Horizons for Seniors Program – Western Canada and Territories Region. The grant allowed us to purchase Apple TV boxes, dedicated iPads with protective covers, and required security licenses to better utilize our smart TVs. Installation of the equipment was completed in late July and the equipment will be used to access online services and concerts and interactive programs for our senior residents!</p> <p>Funded by the Government of Canada's New Horizons for Seniors Program</p> 			1	2	3	4
