## October 2021

### From your Manager,

Happy October everyone!

October 11 is Thanksgiving Day. We all have many things to be thankful for . . .

As Ernest Hemingway said:

*“Now is no time to think of what you do not have. Think of what you can do with what there is.”*

This Thanksgiving Day, I would like to challenge all of us to think of what we can do, however small, to make someone else’s day special.

Happy Thanksgiving everyone!

*Yumara Coteron*

### Did you know . . .

Only male turkeys actually gobble.  
If you learned in preschool that a turkey goes "gobble, gobble," that's only about half true. Only male turkeys actually make the sound. Female turkeys cackle instead. So, if you're trying to figure out whether a turkey is male or female, just wait until they open their beaks.

**Our birthday party will be on  
Monday, October 18 at 1:30 p.m.**  
with **Alice Tinordi** entertaining.

Be sure to dress up for  
our Halloween Party on  
Friday October 29 at 1:30.  
There will be prizes for  
the best costumes!

And we will be doing a  
50/50 draw for \$2.00

## Emergency Preparedness - Loss of Power

In the event we lose power in the lodge, we have plans in place to ensure continuation of services. There are several things you can do to stay safe:

- ◆ Remain calm.
- ◆ Ensure you have a flashlight in your suite and check on a regular basis to ensure the batteries are still working.
- ◆ If you are on oxygen, ensure you have adequate supplies and use your portable tanks until power is restored.
- ◆ Ensure your windows are closed and secured to help retain heat.
- ◆ Fire doors close. Contact staff to assist you to open them.
- ◆ Hot food and beverages may still be provided as we have gas stoves. For any other questions, please see your Manager.
